

## General Counsel Services

Equinox Business Law Group PLLC (Equinox) offers General Counsel Services, allowing you to grow your business with a flat fee billing model. Our General Counsel Services provide you with:

- A partnership to proactively plan for your business growth. Our lawyers understand business as well as the law and can help you understand the risks and benefits associated with operational decisions before you make them.
- Prompt attention to legal matters without concern about cost. With a flat fee, we become an extension of your management team, so you don't hesitate to make a five minute phone call or schedule a one-hour meeting.
- Predictable, flat monthly fee billing for easy budgeting and planning
- Smoothing of legal and business advisory costs over time. Under the General Counsel Services, you can spread the costs of immediate needs over many months.

The General Counsel Services package covers all legal issues that fall within Equinox's core practice areas such as corporate governance, owner relationships, contracts, employment matters, trademarks and dispute resolution as well as regular scheduled meetings. This structure provides similar benefits to having in-house counsel at a fraction of the cost.
